

ZACHARY WILLIAMS

(616) 214 – 0907 | zachwilliams272@gmail.com | github.com/Flapjack2000 | Grand Rapids, MI

EDUCATION

Bachelor of Science in Computer Science – December 2027

- Grand Valley State University
- Minor: Mathematics
- GPA: 3.813

EMPLOYMENT

Software Engineering Intern – Amway, Ada, MI

May 2026 – August 2026

- Engineered an application-wide shared thread pool system and refactored five APIs to use it, leading to an estimated 5-15% API performance gain
- Tailored communication of technical ideas to both engineers and executives
- Focused on Agile methodologies and writing practical, focused, and maintainable code

Software Developer – Blue Nucleus, Grand Valley State University

April 2025 – Present

- Used CAD models to automatically program ABB robot arms to polish boat propellers
- Collaborate on an electronic health record system and faculty portal for Kirkhof College of Nursing simulation courses

Peer Mentor – College of Computing, Grand Valley State University

August 2025 – April 2026

- Provided tutoring and guided students to campus resources
- Established bonds with freshman computing students

Martial Arts Instructor – Litehouse Family YMCA, Lowell, MI

November 2023 – Present

- Demonstrate Tae Kwon Do techniques, model behavior for students, and teach class

TECHNICAL SKILLS

Languages: TypeScript, Java, Python, RAPID (for ABB robots)

Frameworks & Libraries: React, Astro, NextJS, SpringBoot, ThreeJS

Additional Software: Vercel, Supabase, Blender, RobotStudio
